SWIMMING POOL REQUIREMENTS

Please be advised that a Permit Application for an inground pool in Horsham Township requires the following to first be submitted to the township:

1. Three (3) topographical scaled plot plans 1" = 20' minimum, sealed by an engineer, showing all existing and proposed features on the site, along with all dimensions and setbacks from all property lines.
2. Check for \$500 made payable to Gilmore & Associates, Township Engineer
3. Homeowner must acknowledge any repair to the right-of-way, to include the sidewalk and curbing, will be at their expense. Please be aware that this notation must be stated on the plot plan.

Once the Township Engineer reviews and approves the plot plan, you then need to submit two (2) separate Permit Applications (one for the pool and a separate one for the pool barrier/fence) to the township.

The following information is required upon submittal:

1. Complete Permit Application with “pool” checked in the Type of Work or Improvement section as well as Electrical section of application (if applicable) completed.
 - a. Two (2) copies of pool specification (pump, water heater and spa, etc.) including pool construction plans.
 - b. Zoning fee of \$50 payable to Horsham Township.
2. Complete Permit Application with “Pool Barrier” checked in the Type of Work or Improvement section as well as providing pool barrier specifications. Include cost of work in Building Section of application.
 - a. Two (2) copies of fence specifications showing location of fence on the plot plan (include height and picture of fence).
 - b. Zoning fee of \$50 payable to Horsham Township.

If you have any questions regarding the above, please do not hesitate to contact this office.
