NOTE: Please make sure there is no plastic, cardboard, or metal, other than staples and paper clips, in the waste. **This service is free. Please, no businesses.**

Shred One regularly participates in community shredding events which are sponsored by various organizations and governmental agencies. This offers residents in the community the opportunity to destroy their confidential documents and avoid the pitfalls of identity theft. Mobile shredding trucks perform all of the paper shredding as you watch. All shredded paper is recycled. Shred One is currently recycling paper at a rate which saves over 70,000 trees annually!
