How To Play 2-Ball & Rules

This unique basketball skills game is played by a two-player team. Each team of 2 people will have 45 seconds to alternately take shots from any of the 7 marked spots on the court. Based on the distance of the shot, each of the 7 spots has a point value ranging from 1 – 10. The team with the highest score will be declared the winner. The team members must alternate shots and must do their own rebounding. At least one shot has to be attempted from each of the 7 spots. The spots and points are as follows:

Shot & Points:

- | | |
|-----------------------|----------|
| Lay-up | 2 points |
| 3 feet, in paint | 2 points |
| 5 feet, outside paint | 2 points |
| Free Throw | 3 points |
| Left Wing | 5 points |
| Baseline | 7 points |
| 3 point spot on line | 8 points |
