

HORSHAM TOWNSHIP WILL COMMEMORATE ITS TRICENTENNIAL BIRTHDAY IN 2017.

We invite all of our residents and businesses to join us as we honor Horsham's past and look forward to Horsham's future. Through the township's newly-founded foundation, all donations to the TriCentennial celebration will be tax deductible and will ensure not only an incredible 300th birthday but also funding for future Horsham events.

In 2017, Horsham Township will commemorate its Tricentennial birthday with a year-long celebration. Events to look forward to include: Winterfest with ice sculptures, free Movie Night in the Park, 300 Pint Blood Drive and Health Fair, Horsham 300 Parade, and Horsham Day - that will close with a not-to-be-missed Fireworks Extravaganza!

We invite you to celebrate this once-in-a-lifetime event with a meaningful and impactful donation. Join a growing group of businesses and community leaders and partner in the Horsham Township TriCentennial Celebration - a year that will be filled with fun, camaraderie, and community.

If you have questions regarding the Horsham Township TriCentennial or sponsorship opportunities, please contact Mark Hudson at mhudson@horsham.org or 215-643-3131.

HISTORY

In the 1680s, Samuel Carpenter and several others purchased land from William Penn in what would later become Horsham Township – which is believed to have been named after Carpenter's home in Sussex, England.

In 1717, Horsham Township was formally established and was predominantly a farming community. What is now Route 611 was originally created as a dirt riding path which was used to move goods to Philadelphia.

Since 1717, Horsham Township has grown into a multi-use community made up of residential, commercial, industrial, and even some agricultural sectors that connect us to our roots.

Horsham Township today is a two-time recipient of Money Magazine's Best Places to Live in the US, and has won many other awards acknowledging our remarkable community. Samuel Carpenter now has a park named after him in our expansive park system; Route 611 is now a four-lane highway used by thousands of cars daily.

1717~2017
