IN-GROUND SWIMMING POOL REQUIREMENTS

A Permit Application for an in-ground pool in Horsham Township requires the following to first be submitted to the township:

1. Three (3) topographical scaled plot plans 1" = 20' minimum, sealed by an engineer, showing all existing and proposed features on the site, along with all dimensions and setbacks from all property lines.
2. Check for \$500 made payable to Gilmore & Associates, Township Engineer
3. Homeowner must acknowledge any repair to the right-of-way, to include the sidewalk and curbing, will be at their expense. This notation must be stated on the plot plan.

Once the Township Engineer reviews and approves the plot plan, a Permit Application must be submitted to the township for the pool and the pool barrier (fence).

The following information is required upon submittal:

1. Complete Permit Application with "Pool" and "Pool Barrier" checked in the Type of Work or Improvement section. Include the cost of the work in the Building Section of the application. The Electrical Section of application should also be completed if applicable.
 - a. Two (2) copies of pool specification (pump, water heater and spa, etc.) including pool construction plans.
 - b. Two (2) copies of fence specifications showing location of fence on the plot plan (include height and picture of fence).
 - c. Zoning fee of \$50 payable to Horsham Township.
