

The Two Margaret's Daffodil Day

HPHA's Spring Member's Meeting and Open House

April 28, Sunday From 1:00 until 4:00 PM

900 Governor Road, Horsham, PA

Spring Member's Meeting and Open House. We expect to have 1000's of daffodils in bloom when you visit, but this count is a guess! There have been some flowering for the last week. We will give tours of the house to show the work completed by the volunteers and contractors during the past year. This is the meeting when we elect officer as well.

Among the most important improvements in 2018: The first floor 1858 kitchen is nearing completion. The electric and water are prepped. The ceiling and walls are painted. The kitchen cabinet is a maroon red now and some lights are installed.

Please join us to finally welcome Spring.

Light refreshments.
